- Figma
- Basic HTML/CSS

ABOUT ME

I'm a passionate and adaptable Graphic Designer with a background in psychology, bringing a fresh perspective and creative skills in Adobe Creative Suite and Figma. With a basic understanding of HTML and CSS, I enjoy crafting visuals that connect with audiences and designing intuitive layouts. Eager to expand my skills and embrace new challenges, I look forward to contributing my creativity and enthusiasm to a collaborative team environment.

WORK EXPERIENCE

○ Aug 2023 - July 2024

Softileo | Sargodha, Pakistan

Graphic designer & Video Editor

Developed company logos and website graphics, created engaging TikTok reels, edited long-form YouTube videos, and designed promotional flyers for various companies.

● Aug 2024 - Present

A&D Software solutions | Remote

Junior Graphic Designer

As a Junior Graphic Designer, I designed social media posts and helped develop brand visuals, keeping everything on-brand and eye-catching. I worked with senior designers to improve my work and connect with our audience. This role strengthened my skills in digital design and branding.
